## Why digital advertising?

As renowned specialists in this medium we offer efficient opportunities for taking full advantage of your advertising with specific targeting in terms of content and reach. Measures perceived as both, eye-catching and informative are particularly relevant for you in achieving your advertising and communication objectives.

## What is digital advertising with KRAFTHAND?

Clearly differentiating your advertising impact is important. You can strengthen the perception of your brand with eye-catching advertising and reach, as well as defining your brand essence with informative perception and content solutions for the target group.

### KRAFTHAND.de

KRAFTHAND.de is the responsive online magazine for all experts in the automotive repair trade. Experts can find everything they need here for their work and their practical expertise, day in, day out – from current industry trends to exclusive online expert articles and practical videos.

### KRAFTHAND Newsletter

The fortnightly KRAFTHAND Newsletter lets readers know about the most relevant articles in the online magazine. It provides summaries and looks ahead to future content. Here you will be surrounded by selected highly relevant content and able to achieve an impact.

### KRAFTHAND Content

Content marketing is the approach by which your company and products are positioned within your specialist field. With our relevant content and through dissemination to relevant target groups, your native advertising can access new and effective opportunities. At the same time, we can also combine all our channels in order to achieve outstanding impacts and interactions among your target group.

## Eye-catching advertising

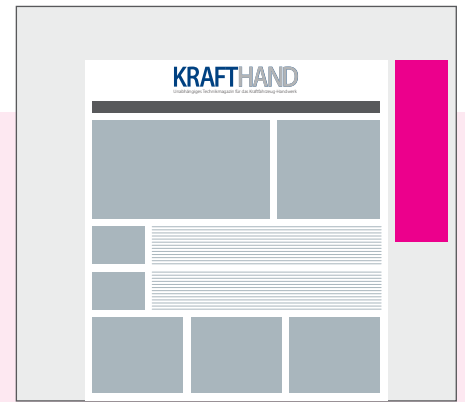

For your target group, it's all about attracting attention, impact and reach. To ensure that this is successful, we offer you banners on special topics and particularly relevant key points, as well as reach-intensive banner displays with guaranteed target group extension.

### 1 How it works

1 Professionals use krafthand.de to stay up-to-date on the automotive industry.

2 The user receives a cookie, marking them as someone interested in the automotive sector.

3 We can then find the user on thirdparty websites all over the internet, on any device.

4 We display our adverts to the user on the websites they subsequently visit.

5 The user is forwarded to your website or to a special landing page.

6 In this way, we bring you together with potential interested parties:

- + Extra range
- + Increased attention
- + Access to the core target group
- + More points of contact
- + Increased online advertising time

### 2 How you benefit

We guarantee **60,000 advertising impressions** through dissemination among our partner networks.

This allows you to increase your brand recognition among your target group, even **beyond KRAFTHAND.de**

Our partner network are an effective **way of expanding your range** with zero waste of coverage.

**Comprehensive reporting** every month enables custommade optimisations.

You give us the **banners**, and we do the rest!

## Informative advertising

Here it's all about content, added value and conveying practical knowledge for the workshop pro. KRAFTHAND offers you a topic-based environment for this, which provides the best possible representation of your brand, your product and your solutions. That means that you will be everywhere our target audience gets the information they need to make investment decisions. This is achieved with online advertorials created by yourselves, or with the expertise of our specialist copywriters who create specifically tailored content.

### 1 Advertorials

You can present your company in the highly relevant environment of KRAFTHAND.de. Up-to-date reports and well-researched specialist magazine articles are placed online every day. Within this framework, your advertorial will have a similar impact to editorial content.

### 2 Advertorial in Topic-based Special

This advertorial will be placed within an editorially selected key-topic framework. Our editorial team reports on particularly hot topics four times a year (see "Online publication schedule"). This enables you to position your company, products or services in the optimum way in a particularly relevant context.

## 1 Partner publications

Specialist information is more credible when it is professionally and expertly presented. Together with partners from the motor vehicle industry, the automotive supply industry and the parts trade, Krafthand Medien develops neutral or individualised specialist publications in order to present relevant topics to the market or to car dealerships and vehicle workshops. These can range from inserts in KRAFTHAND, for example, to individualised A4, "KRAFTHAND practical knowledge" workbooks or entire company brochures and complete specialist books. The customer benefits from the competence of specialist editorial staff, as well as from the strong impact of the brand KRAFTHAND, which stands for well researched, high-quality and, above all, independent content.

## 4 Film- and video production

We produce professional image and product videos for you within the setting of the KRAFTHAND workshop, in your company or in a location of your choice. We explain your products, conduct interviews, shoot any footage – where desired this can also be from the air with the help of a drone – and deliver you a film which you can publish across all channels. Also, of course, via the digital media of our specialist magazines. We export the corresponding data in the desired format.

**You are a guest on your own set, for our service range includes the following:**

- Consulting regarding theme selection and extensive background research
- Creation of a storybook
- Editorial support, with direction during shooting
- Design and production of introduction and credits (intro and outro)
- Moderation with professional speakers (also multilingual) and suitable licensed background music
- Advice and editorial support during editing
- Payout in the desired formats
- Set-up and deployment on publishing channels, such as your own dedicated YouTube or Facebook channel
- Transfer of the necessary rights of use

**Prices readily available upon request.**

**Our company directly represents all of these competencies. One solution – one point of contact!**

## 2 Corporate Publishing

Take your benefits of the expertise of our editorial department. With that you are able to communicate in a very unique way your topics. You will reach car dealerships and garage professionals. This could be a simple supplement in the magazine KRAFTHAND or complete company brochure or even a complex specialist book. All that is processed in a journalistic way with the skills of our editors for your company or in your name.

## 3 Media services
