off to **3,5 t**

KRAFTHAND-Truck is a trade journal and an advisor for practitioners who are specialized in the **commercial vehicles and transportation vehicle** sector of 3,5 tonnes or more.

**Target groups**

Target groups of the trade journal are workshop managers, technicians, craftsmen, mechanics or mechatronics who are working in commercial vehicle workshops or workshop managers or vehicle fleet managers.

**4 X per annual**

KRAFTHAND-Truck delivers important information to independent as well as brand-related workshops specialized in commercial vehicles, system operations, companies with connected agency garages, forwarding agencies, bus companies, managers of the parts and accessories industry, workshop equipment suppliers and the commercial vehicle industry.

- Data supply:**
- Possible data formats: GIF, JPG, HTML
  - The customary standards must be adhered to for HTML5 banners. It is essential that you send us a sample so that we can check in advance that it will work.
  - Animated banners must become static after 30 seconds.
  - The banners must not be larger than 150 KB.
- Supply of ad bundles:**
- Leaderboard
  - Rectangle
  - Skyscraper
- This is necessary so that we can place your campaign correctly on our partner websites.

## 1 Partner publications

Specialist information is more credible when it is professionally and expertly presented. Together with partners from the motor vehicle industry, the automotive supply industry and the parts trade, Krafthand Medien develops neutral or individualised specialist publications in order to present relevant topics to the market or to car dealerships and vehicle workshops. These can range from inserts in KRAFTHAND, for example, to individualised A4, "KRAFTHAND practical knowledge" workbooks or entire company brochures and complete specialist books. The customer benefits from the competence of specialist editorial staff, as well as from the strong impact of the brand KRAFTHAND, which stands for well researched, high-quality and, above all, independent content.

## 4 Film- and video production

We produce professional image and product videos for you within the setting of the KRAFTHAND workshop, in your company or in a location of your choice. We explain your products, conduct interviews, shoot any footage – where desired this can also be from the air with the help of a drone – and deliver you a film which you can publish across all channels. Also, of course, via the digital media of our specialist magazines. We export the corresponding data in the desired format.

**You are a guest on your own set, for our service range includes the following:**

- Consulting regarding theme selection and extensive background research
- Creation of a storybook
- Editorial support, with direction during shooting
- Design and production of introduction and credits (intro and outro)
- Moderation with professional speakers (also multilingual) and suitable licensed background music
- Advice and editorial support during editing
- Payout in the desired formats
- Set-up and deployment on publishing channels, such as your own dedicated YouTube or Facebook channel
- Transfer of the necessary rights of use

**Prices readily available upon request.**

**Our company directly represents all of these competencies. One solution – one point of contact!**

## 2 Corporate Publishing

Take your benefits of the expertise of our editorial department. With that you are able to communicate in a very unique way your topics. You will reach car dealerships and garage professionals. This could be a simple supplement in the magazine KRAFTHAND or complete company brochure or even a complex specialist book. All that is processed in a journalistic way with the skills of our editors for your company or in your name.

## 3 Media services

Krafthand Medien offers you a wide range of media services. Always at the forefront with a precise knowledge of the needs and user behaviour of your target group:

- Design and realisation of your company's homepage or landing page including search engine optimisation
- Consultation, set-up and monitoring regarding your own social media channel (YouTube, Facebook, Twitter, Instagram, Snapchat etc.)
- Portrait, object or product photography. We also present your product in 360° limelight. This type of product illustration is particularly suitable for all-round digital visibility
- Design and production of your advertising spaces in terms of print and digital (classic adverts to HTML programming)
- Mailings and lettershop including editorial development, design, printing and providing qualified addresses
- Business prints, forms, individual publications
- Organisation and implementation of events and training courses
- Moderation of your event or podium discussion
- Production of commercials for TV and radio
